is now on sale in Dodge City. All the leading groceries handle it and in order to introduce it we have decided to do some advertising, but not in the usual way. We are going to give our customers the benefit of this advertising by placing certificates in 20 per cent of the sacks of Flour sold in Dodge City of the value of One Dollar each. These will be redeemed by your grocer or at our office. Understand that every sack does not contain a certificate, but only 20 per cent of that sold in Dodge City. We do not know in which sacks they are placed, neither does your grocer, but there is one in every twentieth sack and if you get one it is worth one dollar in cash or trade at your grocers'. These certificates do no detract from the value of the flour. Every sack is guaranteed to be as good as any flour on earth. Yours for success,
